District Court of Waimea, Hawaii.

June 25<sup>th</sup> 1892.

Regina  
vs  
Kunishiro (Jap) and  
Mukimoto (Jap) } Charged with Robbery which was  
committed on June 24<sup>th</sup> 1892 and within  
the jurisdiction of this Court.

Hauane sworn:

Reside in the District of Waimea - saw depts some-  
times previous to 10 o'clock A.M. yesterday, they were on the  
other side of Mahinauli and they called me so I stopped  
waiting for their arrival - They both came along and Kuni-  
shiro took hold of the bridle and Mukimoto on my leg -  
and Mukimoto demanded of me by saying "Have you got  
any money?" I replied that "I have no money." Soon  
after I made the denial Mukimoto then put his hand in  
the pocket of my pants and I beat him with rope but he  
dare not let go, so with the other leg of mine that is  
disengage, I put spur on my mule, but they still hold  
on to me till Mahe arrived when they let me go -  
so we arrested them after hard struggle - later on Daniela  
and Puniki arrived - while we were then standing we  
saw two Jap women passed on mauka road - I came  
along with ~~Hekupua~~ Mahe up to Hekupua and had  
depts with us and Mahe came ahead for Waimea and I asked him  
for a knife - sometimes thereafter the police officers arrived -  
I had some money with me then - I was afraid then -  
I had mangoes on the mule - every time the mule moved.

they wouldn't let go either the bridle or my leg - there was nothing missing from my pocket - I would have lost some if I fell off from the mule.

Kaohu sworn:

Reside in Waimanalo - I saw Deft's yesterday June 24<sup>th</sup> Kaohu went on ahead and I saw Daniela and others went down on this side of Mahinani - I saw Kaohu standing by side of two other men - when I got half-way of the slope I saw Kaohu's mule jumping here and there, so I rode on - when Deft's saw me they let go Kaohu - Kaohu hurried me thither - we came together as far as Hekupua, I left Kaohu with Deft's - I gave my knife to Kaohu - The tall Jap was at the head of the Mule and the short one on the makai side - the head of the mule was facing towards Hanalei.

Prosecution Rests.

Deft's Wits:

Kukimoto sworn:

Live at Honolulu - came to Hawaii 3 weeks ago - I arrived at Hapaa, from there to Koloa thence to Waimanalo - we met Kaohu on that Pali Road - he went up ahead of us and afterwards he came back again, dismounted from the mule, picked up a stone and threw at us - 5 men soon came up - I did not hold Kaohu on his leg - we were sitting under a Kiawe tree - I think he threw stone at me because I was holding a valise - never took any money from him - we had in our possession just then \$11.45

none of which was taken by those men - I do not work under contract - I work in the Japanese Restaurant - I had \$1.25 for myself in that \$11.45 - I have been in Hawaii 3 years.

Munishiro sworn:

Live at Honolulu - I have been at Mekaha 3 years - we were sitting under a Maawe tree when a man riding on a mule passed by - he dismounted and picked up a stone - he called on 4 others, they came and lassoed us, same time beating us with their ropes - I know not the object of going forward and coming back again - I did not grab hold on the rein nor at his leg - never took anything away from him - neither did they take anything away from us - They told us to go to Waimea.

Ume<sup>w</sup> (Jap) sworn:

Reside at Mekaha - I was on my way from Elele and when I came to the Gulch of Mahinauli I saw 5 natives and 2 Japs on the road - the man on the mule was under the tree and gesturing at the others to come - the other 4 came up - I was afraid - we came across there - the Japs were sitting down, but when they were commenced beating they stood up - we never saw those Japs holding the mule -

Hona<sup>w</sup> (Jap) sworn:

I saw defts while I was returning from Elele - saw a man on mule waving his hand at the

others to come - They came <sup>and</sup> whipped at the Japs <sup>and</sup> they run  
here <sup>and</sup> there - I never say a word with those Japs.

By the Court: Committed to Jury August Term 1892  
of the IV Judicial Circuit to be holden at Nawiliwili, Hawaii.
